Try it NOW <https://ai.addik.co>

The screenshot displays the aiaddik website's pricing page. At the top, there are navigation links for Home, Features, and Pricing, along with a user profile icon and a language selector set to 'en'. Below the navigation, four pricing plans are presented in columns:

- Free:** Features of Free Plan. Includes 32 AI Document Templates, 5,000 Words per month, 3 Images per month, 2,500 Characters for Text to Speech per month, 1 Speech to Text per month, and 2 MB Audio file size limit. It lists several features with red 'X' icons, indicating they are not available in this plan.
- \$10 / Monthly:** Features of Micro Plan. Includes 61 AI Document Templates, 50,000 Words per month, 25 Images per month, 25,000 Characters for Text to Speech per month, 5 Speech to Text per month, and 5 MB Audio file size limit. It lists several features with green checkmarks, indicating they are available.
- \$30 / Monthly:** Features of Mega Plan. Includes 61 AI Document Templates, 200,000 Words per month, 100 Images per month, 100,000 Characters for Text to Speech per month, 20 Speech to Text per month, and 20 MB Audio file size limit. It lists several features with green checkmarks.
- \$50 / Monthly:** Features of Giga Plan. Includes 61 AI Document Templates, 400,000 Words per month, 200 Images per month, 200,000 Characters for Text to Speech per month, 40 Speech to Text per month, and 40 MB Audio file size limit. It lists several features with green checkmarks.

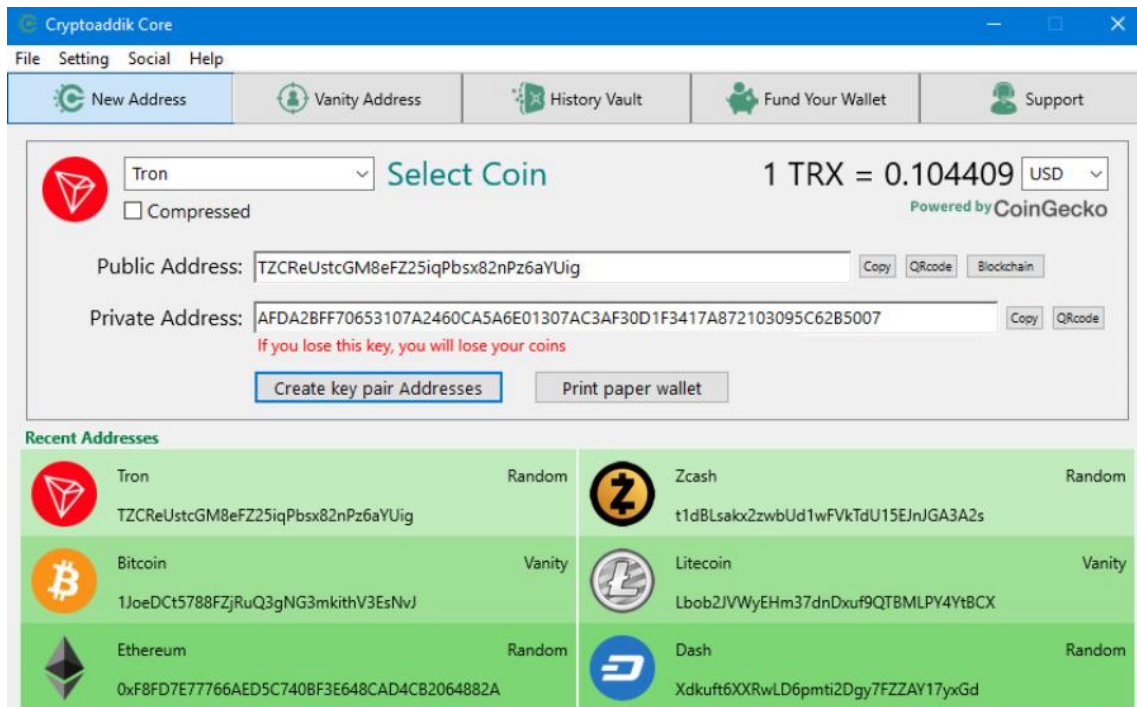

At the bottom of the pricing section is a 'Choose Plan' button. Below the pricing section, a grid of content creation templates is shown, each with an icon and a brief description:

- Text Extender:** Extend short sentences into more descriptive and interesting ones.
- Content Shortener:** Short your content in a different voice and style to appeal to different readers.
- Quora Answers (Pro):** Answers to Quora questions that will position you as an authority.
- Summarize for a 2nd grader:** Translates difficult text into simpler concepts.
- Stories (Pro):** Engaging and persuasive stories that will capture your reader's attention and interest.
- Bullet Point Answers:** Precise and informative bullet points that provide quick and valuable answers to your customers' questions.
- Definition:** A definition for a word, phrase, or acronym that's used often by your target buyers.
- Answers:** Instant, quality answers to any questions or concerns that your audience might have.
- Questions:** A tool to create engaging questions and polls that increase audience participation and engagement.
